at market price

- Leasing transfers possession of the aircraft without transferring the title.
- A dry lease furnishes an aircraft, but the lessor provides no crew.
- A lease that includes crew is called a “wet lease”, and requires an FAA commercial certificate – unless specifically authorized under FAR 91.501 or FAR 91.321.

-
- * 100 Hours/yr Dry Lease Rates
 - * At years end, any remaining hours will not roll over to next year
 - * Total trip flight hours will include dead legs and repositionings.
